**I, the undersigned student and parent, have read and agree to follow the rules, listed below, associated with having a parking permit. I understand that parking on campus is a privilege that can be revoked or suspended for any violation of these rules or any unsafe driving on campus.**

1. A fee of \$25.00 dollars must be paid to obtain a parking permit. There is a \$25.00 charge for a replacement decal. All students who park on campus anytime between the hours of 6:30 a.m. and 3:00 p.m. are required to purchase a parking pass, register their vehicle, and display visibly from their rearview mirror a current Gloucester High School parking pass. Students must park in their designated parking spot.
2. All students must use the student parking lot on the East (library side) of the building. Students **are not** to park in handicapped spaces, visitor parking areas, or designated staff areas (before, during, or after school).

Vehicles parked in unauthorized areas, may be ticketed and/or towed at the owner's expense. Students must park in their designated number.

3. Speeding or any type of careless driving in the parking lot **will not** be tolerated and may result in revocation of driving privileges.
4. Students are not to remain in their vehicles upon arriving on school property. Immediately upon arrival, both the driver and passenger(s) of the vehicle must leave the vehicle and exit the parking lot. The student parking lot will remain off limits to students during the school day. A pass will be required from an administrator to go into the parking lot during school hours.
5. Students leaving campus without authorization may have their driving privileges revoked immediately.
6. Students' cars may be searched if suspected of harboring illegal contraband, weapons, or other illicit materials. This includes procedures established for canine searches by the Virginia State Police.
7. Students are responsible for knowing who is in their vehicle. Any student found taking an unauthorized person off campus may have their privileges revoked immediately. Transporting students who do not have the authorization to be off-campus may also result in the loss of privileges to park.
8. Students are responsible for the security of their vehicles and the contents left in them. All vehicle windows are to be rolled up and doors locked. Drivers park on school grounds at their own risk and neither Gloucester High School nor the Gloucester County Public School division accepts responsibility for damage or theft.
9. Curbing has been added to the student parking lot to enhance the safety of this area. Note the changes and do not attempt to drive over or on the curbing.
10. Students who accumulate excessive tardies, may have their parking privileges revoked for the remainder of the 2021-2022 school year. Administration reserves the right to determine what constitutes excessive tardies.
11. Administration reserves the right to revoke parking privileges at any time for inappropriate behavior without a parking fee refund.
12. If your driving privileges are suspended, you may not drive your vehicle or anyone else's vehicle, or have someone else drive your vehicle to and from school.
